Your stay at Hometown Europe will be easier if you have the things needed to live, play and learn effectively while at Hometown Europe. Because the program is indoors and outdoors, bring shoes and clothes appropriate for both environments.

Tips:
• Bring one set of dress clothes (dress shirt, dress pants, dress) for special occasions.
• Laundry service is available for an additional charge.

You will go through customs as you enter Hometown Europe. Music (CDs and cassettes), books, radios and other items which do not support living in the English language and culture will be held for you until the end of your session. We encourage you to bring books, CDs and other items in English.
