GAME 6
St. Olaf (3-4-0/1-1-0 MIAC) at
Concordia College (1-4-0/0-3-0 MIAC)

September 24, 2005
Jake Christiansen Athletic Complex
Moorhead, MN

GAME TIME: 11:00am
SERIES: St. Olaf leads the series 13-5-0
SERIES STARTED: 1987
LAST MEETING: St. Olaf won 1-0
LAST YEAR’S RECAP: For 81 minutes it looked as if Concordia and St. Olaf were going to play to a scoreless tie. Neither team could create quality chances, and when they did, the opposing goalie seemed up to the task of keeping the scoresheet clean. That all changed at the 81:51 mark, when Abu Farah knocked home a centering pass and pushed the Oles to a 1-0 victory. Concordia carried the majority of play, possessing the ball for long periods of time but could never find a way to get past the St. Olaf defense. When they did crack the Oles defense, St. Olaf goalkeeper Kyle Trimble deftly turned aside all Cobber chances. Trimble was only credited with three saves but stopped numerous Cobber chances before they could amount to a shot on net. All three of his saves were of the game-saving variety.

St. Olaf outshot the Cobbers 19-9 in the game, and held an 8-5 edge in corner kicks.

SERIES HISTORY: Concordia and St. Olaf have traded home victories in the past two seasons. In 2003, the Cobbers downed the Oles 2-0 in Moorhead, and then last season, St. Olaf returned the favor in Northfield. Before those two games, St. Olaf had won five straight over the Cobbers...Concordia owns a 4-2 record against the Oles in the past six games played at the Jake Christiansen Athletic Complex...The Oles won the first six games of the series. The first victory for the Cobbers over St. Olaf came in 1993 when Concordia spoiled the Ole's MIAC title hopes with a 2-0 victory in the last game of the year...of the 18 games in the series, 13 have been shutouts.

GameDay Kickoff
(What you need to know about today’s Concordia-St. Olaf match-up)

- Concordia has been on the short end of three straight 5-0 decisions. The Cobbers lost to St. Thomas 5-0 on Sept. 14 and then lost by the same score at Gustavus last Saturday. The final game of the “nightmarish” trio came on Tuesday when Concordia fell 5-0 at Macalester.
- Concordia is also stuck in a streak of 291 minutes without scoring a goal. The last time the Cobbers scored was in the 70th minute against the St. Scholastica. The last time Concordia was held scoreless in three straight games was at the end of the 2002 season when the Cobbers were blanked by Carleton (1-0), Macalester (3-0) and St. Thomas (1-0). The last time Concordia was held scoreless in four straight games was in 2000. The team that shut down the Cobbers in the fourth game that year was St. Olaf.
- The Cobbers have been utilizing a two-player, goalkeeper rotation. Sophomores Dustin Pattengale and Brett Oestreich have each played 225 minutes and both have given up 10 goals. Oestreich owns the lone Cobber win of the season. He was in goal in the first half against St. Scholastica - and for statistical purposes is the goalie of record. Unfortunately NCAA regulations do not account for assigning a shutout when more than one goalie plays in the game.
- St. Olaf is also on the wrong end of a three-game losing streak. After losing against Saint John’s last Saturday, the Oles lost a pair of non-conference games to teams from Iowa. St. Olaf fell to Wartburg 3-1 on Sunday and then lost 4-1 to Central in the middle of the week. Against the Johnnies, St. Olaf out shot Saint John’s 20-11, but Jason Philiippi made 12 saves to earn the win for the Johnnies.
- The Oles have only played one game at home this season. Today’s game is the culmination of a four-game road trip. It also brings to an end a stretch where St. Olaf played seven of their first eight games away from home.
- The St. Olaf offense is led by sophomore Jacob Meyer. Meyer has three goals on the year, and all three have been game winners. Since the Oles have three wins on the season, simple math tells the Gameday staff that Meyer has scored the game-winning goal in every St. Olaf victory this season. He currently leads the MIAC in game-winning goals.
